## CIRCULATION OF MINUTES OF SPECIAL GENERAL BODY MEETING

To,

The Members of Asmita Jyoti CHS Ltd.,

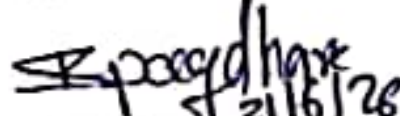

Please find enclosed the Minutes of the Special General Body Meeting (SGBM) of the Society held on 14 June 2026 for discussing matters relating to the proposed redevelopment of the Society.

The minutes have been prepared and circulated in accordance with the provisions of the Maharashtra Co-operative Societies Act, Rules and the applicable Bye-laws of the Society.

The Managing Committee appreciates the active participation and cooperation extended by all members during the SGBM and looks forward to your continued support in the redevelopment process.

Encl.: Minutes of the SGBM held on 14 June 2026

Yours Faithfully,  
Asmita Jyoti CHS Ltd.

  
(Sachin Pagdhare)

Secretary

# ASMITA JYOTI CO-OPERATIVE HOUSING SOCIETY LTD.

## MINUTES OF THE SPECIAL GENERAL BODY MEETING

**Date:** 14th June 2026 (Sunday)

**Time:** 11.30 A.M.

**Venue:** Pandal erected near the Society Office, Asmita Jyoti Co-operative Housing Society Ltd., Marve Road, Malad (West), Mumbai – 400095

**Mode:** Hybrid (Physical and Online)

**Chairman:** Society Chairman, Mr Rocky Soares

A Special General Body Meeting of Asmita Jyoti Co-operative Housing Society Ltd. was held on Sunday, 14th June 2026, at 11.30 A.M. in the pandal erected near the Society Office through physical and online participation facilities, and pursuant to the Notice dated 28th May 2026.

At approximately 11.25 A.M., the Chairman, informed the members that attendance registration was still in progress, as several members were completing the attendance formalities and signing the attendance register. He therefore requested the members to bear with the delay and wait for a few minutes before commencement of the proceedings.

### Attendance and Quorum

Upon receipt of the attendance report from the Society staff, the Chairman announced that the requisite quorum was present and declared the meeting duly constituted. Subsequently upon reconciliation and verification the attendance of the meeting was confirmed representing about 70%

The Chairman welcomed all members attending the meeting, both physically and online. He requested the Hon. Secretary to conduct the proceedings and appealed to all members to participate in the deliberations in a positive, constructive, and orderly manner.

The Hon. Secretary welcomed the members and read out the agenda items for the meeting. He informed the members that the Special General Body Meeting had been convened to deliberate upon the proposed redevelopment of all the buildings of the Society and to ascertain the willingness and consent of the members for undertaking the redevelopment project of the Society.

## **AGENDA NO. 1**

**To discuss the present condition of the Society/ Buildings and the need for redevelopment of all buildings of Asmita Jyoti Co-operative Housing Society Ltd. and to ascertain the willingness of the members to undertake redevelopment through voting.**

Before seeking the decision of the members on the proposal for redevelopment, the Hon. Secretary, on behalf of the Managing Committee, placed before the General Body various technical, financial, legal and practical aspects relating to the present condition of the Society and the proposed redevelopment project.

The Secretary informed the members that the Society buildings are over 25 years old and have undergone a Structural Audit conducted by a qualified Structural Engineer. The audit report classified the buildings under Category C-2B, indicating that while the buildings are presently fit for occupation, substantial structural repairs would be required to maintain their safety, stability and serviceability. Recurring expenses would need to be incurred by the society from time to time.

The members were further informed that though the estimated cost of major structural repairs for individual buildings ranged between approximately ₹65 lakhs and ₹85 lakhs, the members had approved only partial repairs limited to pillars and beams in the stilt areas at an approximate cost of ₹18.50 lakhs, and similar circumstances existed in respect of the other buildings. As such only partial structural repairs of the buildings are being carried out due to financial constraints. It was further pointed out that such expenditure would be in addition to recurring expenses towards waterproofing, leakage rectification, plumbing replacement, external repairs and regular maintenance.

The General Body was also apprised of the Society's recurring maintenance obligations, the risks associated with future structural deterioration, statutory compliance requirements, liabilities relating to BMC assessment taxes and water charges, proceedings pending before the Collector.

The members were informed that the society land is currently under occupant class II. As per the current policy the conversion will be undertaken at a subsidised rate. It was noted and informed to the members that if the conversion is not processed before the stipulated time, i.e. December 2026, all future liabilities including charges for 100% conversion, penalties would have to be bore by the members.

The Secretary further explained the position relating to the Coastal Road Project and the proposed underground tunnel alignment affecting a portion of the Society's land. Members were informed that the tunnel alignment was situated approximately 20.82 metres below ground level and that the redevelopment feasibility assessment had duly considered the same. It was clarified that the tunnel alignment did not materially affect or hinder the redevelopment potential of the Society property.

The Managing Committee appealed to all members to consider the technical, financial, legal and practical aspects placed before the General Body and to take an informed decision in the larger interest of the Society.

During the discussion, Mrs. Vibha Singh (A2/14) requested the Chair to announce the quorum present at the meeting. The Chairman informed the members that the requisite quorum had already been verified and that the meeting had been duly constituted.

Mrs. Vibha Singh further expressed concerns regarding the presence of certain persons whom she believed might not be members of the Society.

Mr. Yunus Khan addressed the Chair and submitted that, in the interest of transparency, the quorum details could be announced. He further observed that certain members may have attended along with family members due to medical or other genuine reasons and requested that such circumstances be appropriately considered.

The Chair sought clarification from the General Body as to whether any non-member had signed the attendance register or was participating in the meeting as a voting member. The members present responded in the negative.

The Secretary informed the meeting that based on the attendance records available at that stage, the attendance stood at 568 members.

Mrs. Vibha Singh and Mrs. Hajra Bhalla thereafter raised further observations on the issue. Several members requested the Chair to proceed with the business listed on the agenda. Accordingly, the Chair directed that the proceedings move forward.

Mr. Nikhil Sawant sought clarification regarding the criteria for selection of the Project Management Consultant (PMC). The Secretary informed the members that the subject formed part of Agenda No. 2(b) and would be discussed in detail at the appropriate stage.

Mr. Yunus Khan suggested that while evaluating PMCs, the Society should consider not only the fee quotes received from them but also the qualifications and ratings reflected in the documents submitted but also the practical experience, professional capability and standing in the industry and track record for successful execution of large redevelopment projects in Mumbai.

The Secretary further informed the members that a provisional feasibility report obtained by the Society from M/s. Aakaar Architects had also been circulated to all members for their information, study, and consideration. He also stated that the Managing Committee had formulated and circulated a minimum benchmark of benefits proposed to be secured for the members under the redevelopment project. Members were requested to study and evaluate these documents carefully to enable them to arrive at an informed decision on the matter.

After extensive discussions and deliberations, the Secretary requested the members to indicate their willingness regarding redevelopment of all the buildings of the Society.

A majority of the members present initially expressed support for redevelopment by raising their hands. Thereafter, the Secretary requested the members to stand at their respective places and indicate their willingness. Once again, an overwhelming majority of the members stood up and expressed their support for redevelopment. The proceedings were video recorded for the Society's records.

The Secretary thereafter read out the proposed Resolution and requested all eligible members to complete and submit the consent forms distributed during the meeting.

Before the Resolution was put to vote, Mr. Aashish Bhat, representing the commercial unit holders, sought clarification regarding the benefits proposed for commercial premises under the redevelopment scheme.

Mr. Yunus Khan supported the query and referred to the projections contained in the redevelopment feasibility assessment relating to commercial units.

The Secretary clarified that commercial premises were proposed to receive rent compensation of approximately ₹140 per sq. ft. per month together with a minimum additional carpet area benefit of 40%, and that these benefits would form part of the minimum benchmark parameters for redevelopment proposals.

The Secretary thereafter placed before the meeting the status of the consent forms received up to that stage. It was noted that only two members had expressed their opposition to the proposed redevelopment, whereas approximately 505 members, who had submitted their consent forms and participated in the online voting process, had conveyed their consent and support for the redevelopment of all the buildings of the Society.

The following resolutions were proposed and passed.

#### **RESOLUTION NO. 1**

(a) **RESOLVED THAT** considering the age and condition of the buildings, increasing maintenance requirements, future development potential and the long-term interest of the members and high conversion cost from occupant class II to freehold tenure of the Society land. The Special General Body Meeting hereby approves the redevelopment of all buildings of Asmita Jyoti Co-operative Housing Society Ltd., Malad (West), Mumbai.

(b) **RESOLVED FURTHER THAT** the Managing Committee be and is hereby authorised to proceed with the redevelopment process, subject to achieving the following minimum benchmark benefits:

(i) Commitment from the prospective developer/ builder to bear the cost of the conversion of the society land from occupant class II to freehold.

**(ii) (a) For Residential Members:**

1. Minimum 50% additional carpet area over and above the existing carpet area.
2. Corpus Fund of not less than ₹1,000 per sq. ft. of existing carpet area.
3. Monthly rent/compensation of not less than ₹70 per sq. ft. of existing carpet area during the redevelopment period.
4. Annual escalation of 10% in rent/compensation for every completed year until possession of the redeveloped premises is handed over.

**(b) For Commercial Members:**

1. Minimum 40% additional carpet area over and above the existing carpet area.
2. Corpus Fund of not less than ₹1,000 per sq. ft. of existing carpet area.
3. Monthly rent/compensation of not less than ₹140 per sq. ft. of existing carpet area during the redevelopment period.
4. Annual escalation of 10% in rent/compensation for every completed year until possession of the redeveloped premises is handed over.

(c) **RESOLVED FURTHER THAT** the aforesaid benchmark benefits shall constitute the minimum acceptable parameters for inviting, evaluating and considering redevelopment proposals and shall not preclude the Society from considering proposals offering higher benefits.

(d) **RESOLVED FURTHER THAT** if the aforesaid minimum benchmark benefits are not achieved or offered under any redevelopment proposal, the Managing Committee shall not finalise, recommend or proceed with the appointment of any developer and shall place the matter before the General Body for further directions.

(e) **RESOLVED FURTHER THAT** the same amenities and facilities shall be provided to the original Society members and the purchasers of sale flats in the redeveloped project.

Proposed by: Mr. Satish Sharma (A2- 104)

Seconded by: Mr. Jigar Jaisinghania (A1-13 )

The Resolution was thereafter put to vote and was carried by an overwhelming majority of the members present.

The Chairman declared Resolution No. 1 duly passed.

Following the passing of the Resolution, majority members expressed their support for the decision of the General Body and for the redevelopment of the Society.

Mr. Yunus Khan appealed to all members to work collectively towards achieving maximum consensus and stated that although only two members had opposed redevelopment, efforts should be made to carry forward the redevelopment process with the support, cooperation and unity of all members of the Society.

Mr. Brijesh Singh appreciated the efforts made by members who had worked towards initiating the redevelopment process and expressed confidence that all members would cooperate in ensuring its successful implementation.

Mrs. Vibha Singh stated that she supported the redevelopment proposal and the Resolution passed by the General Body. She further suggested that a Redevelopment Committee comprising members of the Society may be constituted to assist and support the redevelopment process.

#### **AGENDA NO. 2(a)**

**To discuss and decide whether to opt for redevelopment through Self-Redevelopment or redevelopment through a Developer/Builder.**

The Secretary explained to the members the two modes available for undertaking redevelopment of the Society, namely, Self-Redevelopment and Redevelopment through a Developer/Builder.

He informed the members that a detailed and self-explanatory note setting out the salient features, advantages, and disadvantages of both options had been circulated to all members well in advance of the meeting. The note was intended to enable members to study the available alternatives and make an informed decision.

The Secretary then invited the members to express their views and indicate their preference regarding the mode of redevelopment. After discussion, the members overwhelmingly expressed their preference for redevelopment through a Developer / Builder. No member voted in favour of undertaking the project through Self-Redevelopment.

#### **RESOLUTION NO. 2(a)**

The following resolution was proposed and passed:

(i) **"RESOLVED THAT**, pursuant to Resolution No. 1 and considering the scale and complexity of the proposed project, the Special General Body Meeting hereby decides that the redevelopment of Asmita Jyoti Co-operative Housing Society Ltd. shall be undertaken through a financially sound, experienced, and reputed Developer/Builder and not through Self-Redevelopment.

(ii) **RESOLVED FURTHER THAT** the selection of the Developer/Builder shall be carried out through a transparent, fair, and competitive process in accordance with the applicable provisions of law, Government directives, and redevelopment guidelines issued by the competent authorities,

(iii) **RESOLVED FURTHER THAT** the final selection and appointment of the Developer/Builder shall be placed before the General Body for its consideration and approval in accordance with the prescribed redevelopment procedure."

**Proposed by: Mr. Nitin More (D5-54 )**

**Seconded by: Mr. R. R. Sharma (A1-36)**

The resolution was put to vote and was passed by an overwhelming majority of the members present and voting.

The Chairman thereupon declared Resolution No. 2(a) as duly passed.

**AGENDA NO. 2(b)**

**To Authorise the Managing Committee to Shortlist Three Project Management Consultants (PMCs) from the Quotations Received from the Project Management Consultants, as per due process of law.**

Mrs. Hajra Bhalla (C-1/115) informed the meeting that she had submitted certain written suggestions regarding the process for selection of the Project Management Consultant (PMC). With the permission of the Chair, she addressed the members and shared her observations concerning the appointment of the PMC and certain redevelopment-related matters.

After hearing her views, several members requested the Chair to proceed with the scheduled agenda items.

The Secretary informed the members that quotations had been invited from reputed Project Management Consultants and that approximately 45 quotations had been received by the Society in response to the invitation.

The members deliberated upon the importance of appointing a competent and experienced PMC possessing the requisite qualifications, technical expertise, professional capability, and proven track record in handling large-scale redevelopment projects.

The following resolution was passed.

**RESOLUTION NO. 2(b)**

**"RESOLVED THAT** the Managing Committee be and is hereby authorised to scrutinise and evaluate the quotations received from the Project Management Consultants (PMCs) and to shortlist three eligible PMCs in accordance with the applicable redevelopment guidelines, statutory requirements and prescribed procedure. "

**Proposed by: Mr. Mayur Jaisinghan (A1-24)**

**Seconded by: Mr. Rajiv Thorat (D3-16)**
