## MINUTES OF THE SPECIAL GENERAL BODY MEETING

A Special General Body Meeting (SGBM) of Asmita Jyoti Co-operative Housing Society Ltd. was held on Sunday, 30th August 2026 at 11.00 A.M. at Municipal Mumbai Public School, opposite Asmita Jyoti Co-operative Housing Society Ltd., Marve Road, Malad (West), Mumbai - 400 095, and simultaneously through online/hybrid mode, pursuant to the Notice dated 14th August 2026.

The meeting was convened to consider and transact the business specified in the Notice.

### WELCOME BY THE CHAIRMAN

The Chairman, Mr. Rocky Soares, welcomed all the members present at the meeting venue as well as the members participating through online mode.

The Chairman also welcomed Ar. Saloni Deodhar, Proprietress & Sr. Architect and Mr. Shardul Kulkarni, Head - PMC and Finance of M/s. Deodhar Associates, the Society's Project Management Consultant (PMC), and thanked them for attending the meeting and for making the presentations relating to the proposed redevelopment of the Society.

The Chairman requested the members that, during the presentations and subsequent discussions, any member having a question or seeking clarification should raise the same one by one, so that each question could be properly considered and answered.

The Chairman thereafter requested the Secretary to proceed with the scheduled proceedings.

### READING OF THE AGENDA BY THE SECRETARY

The Secretary, Mr. Sachin Pagdhare, welcomed all the members present at the meeting and those participating through online mode.

The Secretary informed the General Body that, as per the programme of the meeting, Mr. Shardul Kulkarni would first make a detailed presentation on the Feasibility Report, followed by a question-and-answer session.

He further informed the members that, thereafter, Mr. Shardul Kulkarni would make a presentation on the Draft Tender Documents and the eligibility criteria for selection of the Developer, followed by an opportunity for the members to raise questions and seek clarifications.

The Secretary further stated that, after completion of the presentations and discussions, the agenda items and corresponding resolutions would be taken up one by one for consideration and approval by the General Body.

The Secretary thereafter read out the agenda items of the Special General Body Meeting as contained in the Notice dated 14th August 2026.

After reading out the agenda, the Secretary requested Mr. Shardul Kulkarni of M/s. Deodhar Associates to proceed with the presentation on the Feasibility Report.

#### **PRESENTATION BY M/S. DEODHAR ASSOCIATES ON THE FEASIBILITY REPORT**

Mr. Shardul Kulkarni, representing M/s. Deodhar Associates, addressed the General Body and thanked the Managing Committee and the members of the General Body for their cooperation and for providing an opportunity to make the presentation.

Mr. Shardul Kulkarni informed the members that M/s. Deodhar Associates had already submitted the Feasibility Report to the Society and that, as understood by him, the same had also been uploaded on the Society's redevelopment website for the information of the members.

He further informed the General Body that the Managing Committee had forwarded to Deodhar Associates the various suggestions, representations and observations received from members concerning the redevelopment process.

Mr. Shardul Kulkarni stated that the PMC had considered the suggestions received from the members and that he would endeavour to address and clarify the issues raised in those suggestions during the presentation. He further informed the members that certain suggestions which were considered appropriate and feasible had also been incorporated in the Draft Tender Documents.

Mr. Shardul Kulkarni thereafter made a detailed presentation regarding the proposed redevelopment of the Society.

He explained the provisions relating to the 33(9) redevelopment scheme, its salient features and the development potential available under the said scheme. He also explained the reasons and basis on which M/s. Deodhar Associates had recommended the 33(9) scheme for the redevelopment of the Society, including the relevant planning and development considerations.

The PMC further explained the various factors considered while preparing the Feasibility Report and recommending the proposed redevelopment scheme.

#### **Questions Raised During the Feasibility Report Presentation**

The following members participated in the discussion and raised questions / observations regarding the Feasibility Report:

Mr. Anil Prajapati, (B1/16) asked from where and which reservation had been considered in the Feasibility Report. Mr. Shardul Kulkarni replied that the reservation had been taken from the Society's approved plan and explained the same during the presentation.

Mr. Pravin Mohite, (C1/65) asked about the meaning of HPC. Mr. Shardul Kulkarni stated that HPC means High Power Committee and also explained the same in detail.

Mr. Puran Shirsat (D3/74) stated that, in his opinion, the area of the existing members appeared to have been considered on the higher side, as compared to the earlier Feasibility Report submitted by M/s. Aakar Architects, wherein the area was less. Mr. Shardul Kulkarni replied that the Society had provided him with the area of each flat along with the approved plan, and that he had considered the area based on the said documents.

He further stated that the relevant details were attached to the tender documents and that he would show the same in his presentation.

Mr. Durgesh Shetty, (D3/66) asked from where the Ready Reckoner rate had been taken. Mr. Shardul Kulkarni replied that the same was available in the Government Ready Reckoner Book.

Mr. Anil Prajapati, (B1/16) asked about the commercial area considered in the Feasibility Report and whether the feasibility was only based on the existing members' area or whether the entire frontage area had been considered. He also sought clarification regarding the area considered on the ground, first and second floors. Mr. Shardul Kulkarni explained the same in detail, including the existing area and the approximate area considered on the ground, first and second floors.

Adv. Sudarshan Raju, (B1/132) asked whether the conversion charges for the freehold land had been considered in the Feasibility Report and also requested the PMC to recommend a name for an advocate. Mr. Shardul Kulkarni replied that he had already considered the approximate conversion charges in the Feasibility Report.

Mr. Dhananjay Choudhary, (A2/96) asked about the saleable cost considered in the Feasibility Report, wherein approximately ₹ 29,000/- per sq. ft. had been considered, and asked whether the same was possible. Mr. Shardul Kulkarni replied that he had considered the future development and stated that he had confidence in the project and that the project would achieve a good saleable price. He also asked about the flat-wise area of the existing members and how much additional area the members would get. Mr. Shardul Kulkarni replied that the same would be explained in detail and shown in the next slide.

Mr. Prasad Patwardhan, (D2/24) asked whether the Feasibility Report had taken into consideration the full financial potential / benefit arising from the commercial utilisation of the ground floor. In response, Mr. Shardul Kulkarni explained in detail the tentative commercial utilisation proposed/considered under the redevelopment scheme, including the manner in which the commercial component had been considered while preparing the Feasibility Report.

Mr. Pravin Mohite raised a question regarding the setback area mentioned in the Feasibility Report. He stated that, according to his understanding, the setback area was approximately 3,210 sq. ft., whereas the Feasibility Report mentioned 1,550 sq. ft.

In response, Mr. Shardul Kulkarni clarified that the area of approximately 3,210 sq. ft. referred to by the member related to the existing/old setback area, which had already been utilised, whereas the 1,550 sq. ft. mentioned in the Feasibility Report represented the new/likely setback area considered under the proposed redevelopment scheme.

Mr. Rahul Singh, (A1/71) asked what would be a healthy benchmark for the developer's profit and stated that, in his view, 25% profit was healthy. He further asked whether the Society could get a good developer within such a profit margin. Mr. Shardul Kulkarni explained the profit margin in detail and expressed confidence that the Society could get good developers.

Mr. Puran Shirsat (D3/74) enquired whether the existing reservation could be shifted. Mr. Shardul Kulkarni replied that the same could be considered as part of the Society's future

planning. Mr. Puran Shirsat further enquired whether shifting of the reservation was compulsory, to which Mr. Shardul Kulkarni clarified that it was not compulsory.

Mr. Puran Shirsat thereafter enquired about the approximate expenditure that would be required to shift the reservation. Mr. Shardul Kulkarni clarified that the Society would not be required to bear such expenditure and that, if any expenditure was involved in shifting the reservation, the same would be borne by the Developer and not by the Society

Mr. Durgesh Shetty, (D3/66) asked about TDR. Mr. Shardul Kulkarni explained the same.

Mr. Dhananjay Chaudhary, (A2/96) asked whether the EMD considered in the Feasibility Report was sufficient. Mr. Shardul Kulkarni gave a detailed reply to the query.

Mr. Prashant Mohite, (E1/76) stated that he had arrived late and, therefore, was not present during the presentation session relating to the Feasibility Report. He stated that the Society had earlier called a tender for PMC appointment, in which approximately 31,000 sq. ft. area was mentioned. The Secretary clarified that the Society had not called a tender in that regard and that it was a newspaper notice. Thereafter, asked the PMC about the approximately 34,000 sq. ft. area considered in the Feasibility Report. Mr. Shardul Kulkarni replied that he was not part of the Society when the PMC advertisement was issued and, therefore, the query regarding the earlier advertisement should be addressed to the Society / Managing Committee. Regarding the current plot area, he stated that the same was reflected in the Society's approved plan and that he had checked and considered the area from the layout plan.

Mr. Prashant Mohite further raised a query stating that a building was proposed to be constructed earlier on the open plot and that approximately 10,020 sq. mtrs. FSI was available / mentioned therein, and asked whether the said FSI had been considered in the Feasibility Report.

Mr. Shardul Kulkarni replied that, as per the relevant records/plan, no building approval had been granted on the said plot and that the Government had not sanctioned any FSI for the same; accordingly, the question of considering such FSI did not arise.

Mr. Shardul Kulkarni further informed the members that a feasibility-related query submitted by members had been forwarded to him and that members having queries had also visited / called his office. He stated that he had explained in detail the queries of the members during a session of more than four hours.

The Secretary intervened and stated that the queries raised by the members had been communicated to the PMC office and that the same had been addressed by Mr. Shardul Kulkarni on the preceding Friday, 28<sup>th</sup> August. The Secretary further stated that some members had personally visited the PMC office and that even Mr. Munir Ansari, who is residing in Dubai, had his query addressed by Mr. Shardul Kulkarni through video conference. The Secretary stated that the PMC was considering and addressing the queries raised by the members and expressed appreciation for the same.

Mr. Prashant Mohite also requested the PMC that the queries raised by the members should be answered in writing.

The PMC stated that it would not be possible to give a detailed written reply to each question. However, if any member still had any query, the Society could arrange a session at the PMC office and Mr. Shardul Kulkarni would try to explain the same.

Mr. Yashwant Gupta asked whether the bank guarantee considered in the Feasibility Report was sufficient. Mr. Shardul Kulkarni explained that, apart from the bank guarantee, there were various other expenses which the developer would have to incur and that the financial obligations of the developer were not limited to the bank guarantee.

Mr. Yashwant Gupta raised a question regarding the allotment of car parking and requested that basement car parking should not be allotted to the existing members.

Mr. Shardul Kulkarni stated that the matter was not restricted only to the parking of existing members and was also related to the saleable flat units. He further stated that, if all the members were agreeable, the car parking of the existing Society members could be allotted in the podium and not in the basement, and that he could make the corresponding change in the tender documents.

Mrs. Tuna Bharti (D4/72) asked whether the existing members' flats had been measured.

Mr. Shardul Kulkarni replied that the area of each flat had been taken from the approved building plan and that, under DCPR 33(9), at the time of approval, the concerned authority would visit/verify each flat.

The questions and observations raised by the members were addressed and clarified by Mr. Shardul Kulkarni on behalf of M/s. Deodhar Associates and, wherever required, by the Managing Committee.

#### **PRESENTATION ON DRAFT TENDER DOCUMENTS AND ELIGIBILITY CRITERIA**

After completion of the presentation and discussion on the Feasibility Report, Mr. Shardul Kulkarni proceeded with a detailed presentation on the Draft Tender Documents and the eligibility criteria for selection of the Developer.

Mr. Shardul Kulkarni explained the principal terms and conditions of the Draft Tender Documents, the proposed eligibility requirements for prospective developers, the tender process, the documents and information required to be submitted by prospective developers and other important provisions relating to the proposed tender process.

He also explained the relevant technical, financial, experience-related and other eligibility requirements proposed to be incorporated in the tender process.

The PMC informed the General Body that suggestions received from members and suggestions made by the Managing Committee had been considered and that suggestions found appropriate and feasible had been incorporated in the revised Draft Tender Documents.

#### **PRESENTATION REGARDING EXISTING CARPET AREA, USABLE AREA AND PROPOSED ADDITIONAL AREA**

After completion of the presentation on the Draft Tender Documents and the related discussion, Mr. Shardul Kulkarni proceeded to make a detailed presentation regarding the

existing members' carpet area, usable area and the proposed additional area likely to be available to the existing members under the redevelopment proposal.

Mr. Shardul Kulkarni explained in detail the existing carpet area and usable area of the members and the basis on which the proposed additional area had been calculated.

He also explained the relevant provisions and implications of MOFA and RERA, as applicable to the redevelopment proposal.

Mr. Shardul Kulkarni further explained the provisions of Regulation 33(9) and stated that, under the scheme, members having smaller existing premises would be eligible for additional benefits, subject to the applicable provisions and final planning approvals.

He explained that, based on the calculations presented by the PMC, the members of E-1 building were likely to receive approximately 65% additional area over their existing usable area, whereas the other members of the Society were likely to receive approximately 55% additional area over their respective existing usable area, subject to final planning, approvals, sanctioned plans and applicable statutory requirements.

The member-wise existing area and proposed additional area were presented and explained to the General Body.

**Questions, Suggestions and Observations Raised During and after the Tender Document & Existing members area Presentation**

The following members participated in the discussion and raised questions /observations regarding the Tender documents & Members area Presentation.

Mr. Yashwant Gupta raised a query regarding the proposed car parking arrangements. Mr. Shardul Kulkarni provided the necessary clarification.

Mr. Pravin Mohite sought clarification regarding the meaning of the term "vacation" used in the Tender Documents. Mr. Shardul Kulkarni explained the term in detail and clarified that it refers to the period/process during which members are required to vacate their existing premises for redevelopment.

Mr. Pravin Mohite sought clarification regarding the meaning of "MOEF". Mr. Shardul Kulkarni explained the meaning and relevance of the term to the General Body.

Ms. Tuna Bharti raised a query regarding the area entitlement / area calculation of existing members in the proposed redevelopment under the 33(9) scheme. Mr. Shardul Kulkarni provided the necessary clarification.

Mr. Amar Mishra, Shop No. 02 raised a query regarding the proposed commercial area on the first floor. Mr. Shardul Kulkarni provided the necessary clarification regarding the same.

Mr. Yashwant Gupta sought clarification regarding the existing members' area and whether the area referred to was based on RERA carpet area or usable area. Mr. Shardul Kulkarni explained in detail the distinction between carpet area under RERA and usable area and clarified the basis of the area calculations presented for existing members.

Mr. Yashwant Gupta raised a query regarding the proposed floor-to-ceiling height of the members' flats. Mr. Shardul Kulkarni provided clarification regarding the proposed height.

Mr. Pravin Mohite also raised a query regarding the floor height. Mr. Shardul Kulkarni stated that if the members desired a 10-feet height, the same could be considered and accordingly the requirement was taken into consideration in the Tender Documents, subject to applicable building regulations and statutory approvals.

Mr. Shardul Kulkarni informed the General Body that the PMC had received a request from members residing on the smaller plot(s) that they should be shifted / allotted new homes on the main Society plot. He stated that the said request had been taken into consideration in the Tender Documents.

Mr. Shardul Kulkarni further informed the General Body that the PMC had received a request from the commercial members that their views and requirements should also be considered. He stated that the same had been taken into consideration while preparing / revising the Tender Documents.

Mr. Yashwant Gupta raised a query regarding the sinking fund and whether the same was to be provided by the Developer. Mr. Shardul Kulkarni explained that the matter would be considered and appropriately dealt with at the stage of finalisation of the Development Agreement (DA) and explained the relevant requirements to the General Body.

Mr. Yashwant Gupta also raised a query regarding transfer charges. Mr. Shardul Kulkarni provided the necessary clarification regarding the same.

Mr. Ashokan, D11/63 raised a query regarding the outstanding amount 7.5 crore and also sought clarification as to why Collector conversion charges were mentioned as excluded in the relevant financial calculations / documents. Mr. Shardul Kulkarni explained the matter in detail and provided clarification regarding the treatment of the said amount and conversion charges.

Mr. Prasad Patwardhan, D2/24 raised a question regarding the tolerance in the area of members' flats. Mr. Shardul Kulkarni explained the matter in detail.

Mr. Shardul Kulkarni further explained to the general body that the Society had provided the details of the existing members' areas in each building. Based on the study of the Society's plans and the proposed regulation 33(9) cluster redevelopment scheme, he explained that the members of the E-1 Building were likely to receive a higher additional area entitlement as compared to members of the other buildings.

He explained that, under the calculations presented:

The base entitlement for the members under the regulation 33(9) cluster scheme was considered with reference to the applicable existing area/entitlement;

Members of the other buildings were proposed to receive approximately 55% additional area over the relevant existing usable area; and Members of the E-1 Building were likely to receive approximately 65% additional area, subject to the final sanctioned plans, applicable regulations, feasibility and other statutory requirements.

Mr. Shardul Kulkarni also explained the basis of the calculation and the distinction between RERA carpet area and usable area to the General Body.

Mr. Satish Sharma A2/104 appreciated the PMC for its detailed presentation and raised a query regarding whether any additional liabilities would be imposed upon members when they return to their respective new flats after redevelopment.

Mr. Shardul Kulkarni clarified that no such additional liability would be imposed upon the members in this regard and that the relevant provision had already been considered in the Tender Documents, subject to the terms and conditions contained therein.

Mr. Satish Sharma also raised a query regarding the allotment of car parking spaces to members having larger flats. Mr. Shardul Kulkarni explained the proposed parking arrangement and provided the necessary clarification to the General Body.

Mr. Satish Sharma raised a query as to whether the Developer would provide / construct Society amenities in such a manner that certain facilities could subsequently be utilised for commercial purposes, thereby generating revenue and reducing the future maintenance burden on the Society.

Mr. Shardul Kulkarni explained that, as per the current rule, approximately 4% of the permissible FSI could be utilised for amenities, subject to applicable rules and approvals. He explained that the actual utilisation and nature of such amenities would depend upon the Society's requirements and decisions. He gave examples such as a conference hall, banquet hall, marriage hall, gymnasium and similar facilities, which, subject to applicable permissions, could potentially be used / rented out to generate revenue and assist in reducing the future maintenance burden of the Society.

Mr. Satish Sharma also raised a query regarding the existing trees on the Society premises and their consideration in the future redevelopment planning. Mr. Shardul Kulkarni provided the necessary clarification regarding the same and the requirements to be considered during the planning and approval process.

Mr. Satish Sharma raised a query regarding the manner in which the new flats would be allotted to existing members.

Mr. Shardul Kulkarni clarified that the allotment of flats to members would be undertaken by the Society through the General Body / its approved process and would be finalised before members are required to vacate their existing premises, subject to the applicable redevelopment arrangements and approvals.

Mrs. Nirmala Chaurasia, (D1/72) informed the General Body that she had submitted 41 suggestions / observations to the Society. She stated that the PMC had thereafter invited her and other members who had submitted suggestions / observations to the PMC's office, where the suggestions and observations were discussed and explained in detail.

Mrs. Nirmala Chaurasia, expressed her appreciation and thanked M/s. Deodhar Associates and the Managing Committee for taking the time to consider and explain her suggestions / observations in detail.

Mr. Aashish Bhat, (SH/40) expressed his gratitude to the Managing Committee, PMC & Mr. Yunus Khan and thanked Mr. Shardul Kulkarni for addressing the concerns of the commercial members. He stated that, at the initial stage, there was some lack of clarity regarding the issues concerning commercial members, however, a meeting was held on the preceding Friday, during which the concerns and suggestions raised by the commercial

members were discussed. He expressed his appreciation that the suggestions found appropriate had been incorporated / considered in the Tender Documents.

Mr. K.C. Sharma, (E1/56) stated that the members of E-1 building had, in the past, often felt that they had been neglected. He expressed his appreciation to the Managing Committee, PMC and Mr. Yunus Khan for positively considering the interests of the E-1 members in the present redevelopment process. He thanked the Managing Committee, PMC and the concerned persons for the consideration given to the E-1 members.

Mr. Prince Johny Koyan (D-1/26) raised a query regarding the safeguards available in the event of default by the Developer.

Mr. Shardul Kulkarni clarified that provisions / safeguards in respect of a possible Developer default had been incorporated in the Tender Documents.

Mr. Raju Kushte, (C1/45), MC member stated that several queries had been received through the online process and requested Mr. Shardul Kulkarni to provide clarification on the same. The following queries were raised:

A query was raised by Mr. Sandesh Pednekar (SH/36) regarding whether public parking would be required to be handed over to the concerned authority. Mr. Shardul Kulkarni explained that the Feasibility Report had been prepared under the regulation 33(9) redevelopment scheme and stated that the particular requirement referred to in the query was not applicable to the Society's proposal.

Mr. Sandesh Pednekar further enquired as to how the Society proposed to proceed with the distribution / allotment of floors between existing members and the flats intended for sale to prospective purchasers.

Mr. Shardul Kulkarni explained that the Developer would first be selected and the plans would thereafter be finalised / approved. The detailed floor-wise allotment / distribution would be considered subsequently in accordance with the approved plans and the terms of the redevelopment documents, and the matter would be discussed / finalised at the appropriate stage.

A query was raised by Mr. Adesh Pednekar, (B1/153) regarding the Coastal Road and whether its alignment / impact and the associated costs had been considered in relation to the Society's land.

Mr. Shardul Kulkarni stated that the matter had been considered in the planning / feasibility exercise and explained that, based on the information considered by the PMC, no specific impediment / challenge to the proposed redevelopment had been identified on account of the Coastal Road.

A query was raised by Ms. Malvika Verma, (D1/65) regarding the proposed hardship compensation of ₹ 1,000/- per sq. ft. and corpus, whether the both are same. Mr. Shardul Kulkarni clarified that, yes both is same.

Ms. Shehlata Rao, (C1/64) had a query regarding provisions for waste management and Mr. Dhanjay Singh, (D2/52) raised query about EV charging stations, and sought clarification regarding whether these requirements had been considered. Mr. Shardul Kulkarni stated that these aspects had already been covered in the Tender Documents.

Mr. Pravin Mohite, (C1/65) again raised a query regarding the Coastal Road and also asked whether the balcony area of the A-2 and B-1 Buildings had been taken into consideration. Mr. Shardul Kulkarni referred to the plan presented to the General Body and explained that the balcony areas of the buildings had already been taken into consideration in the planning/area calculations.

Mr. Sumedh Khaire, (D9/15) raised a question regarding the area entitlement of the ground-floor members, stating that their existing area was comparatively smaller.

Mr. Shardul Kulkarni provided the necessary clarification regarding the proposed area entitlement.

Mr. Joy Caizer, (D9/15) thanked the Managing Committee and the PMC and stated that, in his view, the Society had selected the appropriate PMC for the redevelopment process.

Mr. Baldev Raisinghania, (B1/85) raised a query regarding the proposed configuration of the new flats and also made suggestions regarding additional amenities. Mr. Shardul Kulkarni provided detailed clarification regarding the proposed flat configuration and the amenities being considered.

Ms. Meena Arri, (D10/54) stated that the members residing in D-10 and D-11 buildings had, in the past, often felt that they had not received equal consideration. She stated that, during the present redevelopment process, the D-10 and D-11 members had requested that they be provided an alternative premises / location within the main plot of the Society.

She expressed her appreciation to the Managing Committee and the PMC for considering the request positively and requested the Managing Committee and PMC to consider and accept the demand of the D-10 and D-11 members.

In response, Mr. Shardul Kulkarni clarified that the decision in this regard was within the authority of the General Body and not of the PMC alone. He stated that, if the General Body desired and if the same was practically feasible, the request could be considered.

The Secretary thereafter placed the matter before the General Body and sought the views of the members.

The members present expressed a positive response towards the request of the D-10 and D-11 members and indicated their willingness to consider the request positively, subject to feasibility and applicable statutory/planning requirements.

Ms. Meena Arri thereafter once again thanked the General Body, the Managing Committee and the PMC for considering the request positively.

Mr. Vinay Warule, (D4/35) raised a query regarding the underground Coastal Road and its relevance / impact on the redevelopment proposal. Mr. Shardul Kulkarni provided a detailed response and also referred to examples of other projects / locations while explaining the matter.

Mr. Yashwant Gupta, (D11/61) raised further queries in relation to the redevelopment proposal / Tender Documents. Mr. Shardul Kulkarni provided the necessary clarification.

Mr. Dilip Waghmare, (B1/83) raised a question regarding a security system and ask whether the provision is there in the Tender Documents. Mr. Shardul Kulkarni provided a detailed explanation and clarification regarding the same.

**WRITTEN SUGGESTIONS / REPRESENTATIONS RECEIVED FROM MEMBERS AND CLARIFICATIONS PROVIDED BY THE PMC**

Mr. Shardul Kulkarni of M/s. Deodhar Associates informed the General Body that the Managing Committee had received various written suggestions, representations and observations from members prior to the Special General Body Meeting, and that the same had been forwarded by the Managing Committee to him / the PMC for consideration.

Mr. Shardul Kulkarni thereafter referred to the names of the members / members' groups who had submitted such written suggestions / representations and briefly explained the issues raised by them. He also provided clarifications / responses on the points raised and informed the General Body, wherever applicable, that the relevant matters had already been covered in his presentation or had been addressed during discussions with the concerned members.

**The written suggestions / representations referred to by the PMC and the brief responses / clarifications provided during the meeting were as follows:**

1. Mrs. Meena Arri, D10/54 had requested allotment of new homes on the main Society plot, with equal facilities and benefits.

2. Mr. NTK Nair, (D11/64) and Mr. Ashokan, (D11/63) had requested that all 48 flat owners of D-10 and D-11 be provided new flats on the main Society plot with the same facilities and benefits as other members.

Mr. Shardul Kulkarni stated that he had already given a positive response to the said request and reiterated the position before the General Body.

3. The A-2 members, represented by 15 signatories, had requested clarifications and safeguards regarding member entitlements, FSI / development potential, commercial area, transit rent, corpus/compensation, construction specifications, financial viability, bank guarantees, approvals, Development Agreement provisions, amenities and transparency in the tender process.

Mr. Shardul Kulkarni stated that he believed that the above points had been covered in his presentation and that clarifications/replies had also been provided on the issues raised.

4. Mr. Prasad Patwardhan, (D2/24) had sought clarifications regarding the Feasibility Report, FSI / area calculations, additional area, transit rent, commercial area, flat height, consultant charges and construction-area tolerance.

The issues raised were referred to by Mr. Shardul Kulkarni during the presentation and the relevant clarifications were provided.

5. Mr. Dhananjay Choudhary, (A2/96) and other members had raised observations regarding member entitlements, FSI, financial viability, legal / title matters, transit

arrangements, developer safeguards, tender conditions and Development Agreement provisions.

The PMC referred to the issues raised and provided relevant clarifications during the presentation and discussion.

6. The Commercial Unit Holders had requested safeguards concerning commercial area entitlement, location, replacement premises, transit rent, business disruption compensation, specifications, services, parking and access.

Mr. Shardul Kulkarni stated that the issues raised by the Commercial Unit Holders had been addressed during his presentation & one to one meeting held in his office and appropriate replies/clarifications had been provided.

7. Mr. Yashwant Gupta had submitted written suggestion & an additional suggestion by email, seeking clarifications and safeguards regarding the Feasibility Report, tender process, Developer eligibility, FSI/TDR, financial and legal safeguards, transit rent, construction quality, amenities, parking and infrastructure, including allotment of new homes on the main Society plot.

The issues raised were referred to and clarified by the PMC during the presentation and discussion.

8. Mr. Durga Shetty, (D3/66) had raised concerns regarding amalgamation of the two plots and its impact on total FSI/development potential; minimum guaranteed carpet area, reconciliation and certification of existing carpet area and proposed 72%/55% entitlement, rent, brokerage and shifting compensation, PAAA registration before vacation, release of ₹ 15 crore corpus within a specified period, timeline / security bank guarantees, escrow mechanism for sale proceeds, safeguards against Developer default and clear definition of Force Majeure events.

The above matters were considered by the PMC and relevant clarifications were provided during the presentation/discussion.

9. Mr. Dilip Waghmare, (B1/83) had requested detailed clarifications and safeguards concerning member entitlements, FSI / development potential, commercial area, transit rent, corpus / compensation, construction specifications, parking, financial viability, bank guarantees, approvals, Development Agreement provisions, amenities and tender transparency.

He had also submitted detailed suggestions regarding the future security system for the Society.

Mr. Shardul Kulkarni referred to the issues raised and provided the relevant clarifications during the presentation and discussion.

10. Mr. Charanjeet Gambhir, (A1/43) had sought clarification regarding vacating of premises during the redevelopment process before 31st December 2026.

Mr. Shardul Kulkarni clarified that the suggestion / understanding referred to was not correct, and reiterated the position already explained during the presentation.

11. Mrs. Vijaya Holamb, (SH/33) had submitted suggestions / observations concerning safeguarding the interests of the Society's members during the redevelopment project.

The PMC referred to the matter and provided the relevant clarification during the presentation/discussion.

12. Ms. Nisha More, (B1/55) had sought verification of the prospective Developer's financial capacity and track record.

The PMC referred to the relevant eligibility and financial criteria proposed to be included in the Tender Documents and provided clarification on the matter.

13. Mrs. Nirmala Chaurasia, (D1/72) had submitted 41 points of suggestions / observations to the Society.

Mr. Shardul Kulkarni informed the General Body that Mrs. Nirmala Chaurasia and other members who had submitted suggestions / observations had been invited to the PMC's office for discussion.

He stated that, during the meeting held at the PMC's office on 28<sup>th</sup> August, 2026, he had provided a detailed explanation and clarification regarding the points raised by Mrs. Chaurasia.

14. Mrs. Prabha Tiwari, (D9/53) had suggested provision / consideration of MGL gas pipeline, earthquake-resistant structure, branded shops, completion of the project in accordance with RERA requirements and Schindler elevators.

The suggestions were referred to during the presentation and the PMC provided the relevant clarifications.
