Subject: Eligibility of Bidders — Tender Opening of 19 September 2026 and Clarification Meeting of 23 September 2026 (Circular AJ/Circular/240/2026-27 sent by the society)

Dear Sir/Madam,

This letter reports the outcome of our scrutiny of the seven tenders received for the redevelopment of the Society, being the tender opening held on 19 September 2026 and the clarification meeting held on 23 September 2026 in terms of the above Circular. It identifies the bidders who qualify under the eligibility criteria and those who do not, with reasons.

A. The eligibility criteria

As advertised in four newspapers and approved at the AGM, a bidder must demonstrate BOTH (a) a minimum net worth of ₹2,500 crore, and (b) a debt-to-net-worth ratio not exceeding 0.5, by way of Proforma D. This tender clause was read out by the Chairman at the bid opening meeting, providing that a bidder whose Proforma D fails to meet these criteria will have its Part 12 (financial offer) not considered and not opened. Each developer representative present for the meeting signed an acknowledgement of this clause before the bid opening process. The Circular shared by the society further confines the assessment of the bids strictly to documents already forming part of the original submission; no new, amended or substitute document is permitted.

B. Tender opening — 19 September 2026

Seven bids were received: H. Rishabraj Universal, Kolte Patil Developers, Mahindra Lifespace Developers, Puravankara, Lloyds Realty, Ramky Estates & Farms and Sunteck. Representatives present at the opening were Mr. Vikhil (Mahindra Lifespace), Ms. Nimisha (Puravankara), Mr. Abhishek More (Kolte Patil) and Mr. Yash (H. Rishabraj); the Ramky representative signed on arriving shortly after. No representative of Lloyds Realty or Sunteck was present. Proforma D of each bidder was opened first, and the Part 12 (Bidders offer) was opened only where Proforma D clearly satisfied the criteria. On that basis, the Proforma D of Mahindra Lifespace Developers and of Ramky (bidding jointly with Ramky Infra) clearly met both criteria, and their financial offers were opened and read out. The financial offers of the other five bidders were not opened, pending clarification.

C. Clarification meeting — 23 September 2026

In order to maintain full transparency in the process, the society requested that we arrange for meetings with the representatives of the balance 5 bidders. Representatives of the 5 bidders concerned attended and made their representations before the Managing Committee, TAC members and the Interim Redevelopment Committee (by Zoom): Ankur Surti (Lloyds Realty); Avneet Goyal and Nimisha (Puravankara); Mahendra Chauhan, Abhishek and Rajesh (Kolte Patil); Abrar, Gaurav and one other (H. Rishabraj); and Abhishek Shukla and one other (Sunteck). Consistent with the Circular, no new document was accepted, and the findings below rest only on what each bidder had already submitted and stated.

D. Findings

QUALIFYING BIDDERS

Ramky Estates & Farms (with Ramky Infra) and Mahindra Lifespace Developers qualify on their Proforma D as opened on 19 September.

Sunteck Realty Ltd. qualifies. Its consolidated net worth as on 31 March 2026 is ₹3,420 crore (₹3,226 crore a year earlier), against total debt of ₹774 crore, a debt-to-net-worth ratio of 0.23. It is a listed company and the figures are verifiable from its stock exchange filings;

Sunteck's financials could not be established on 19 September but were clarified in the 23 September meeting:

- Nobody from Sunteck was present at the opening to be asked about the submission.
- The papers that were visible on 19 September showed a Chartered Accountant's net worth certificate on a standalone basis showing ₹2,433.15 crore — just below ₹2,500 crore — with no debt-to-net-worth figure. On that basis the offer could not be opened.
- Sunteck's Proforma D, carrying the consolidated figures, had been submitted with the tender but the pages were stapled together near the commercial offer and was therefore not opened or seen at the time. The same came to light at the 23 September meeting. Video recording of the said meeting is available with the Managing committee.
- The consolidated figures are part of the original submission, not a new document, and were confirmed at the 23 September meeting against the company's exchange filings.

Bidder	Net worth (Proforma D / record)	Debt-to-net-worth	Criteria met (≥ ₹2,500 cr and ≤ 0.5)	Outcome
Mahindra Lifespace Developers	₹ 3626 cr	0.18	Yes	QUALIFIES — offer opened 19 Sept
Ramky Estates & Farms (with Ramky Infra, joint bid)	₹ 3148 cr	0.20	Yes	QUALIFIES — offer opened 19 Sept
Sunteck Realty Ltd.	₹ 3,420 cr	0.23	Yes	QUALIFIES — offer to be opened

F. Recommendation

On the documents submitted, three bidders — Mahindra Lifespace Developers, Ramky Estates & Farms (with Ramky Infra) and Sunteck Realtors P. Ltd. — qualify under the prescribed criteria. Two of the three offers were opened on 19 September. We request the Managing Committee to open the third, the Part 12 offer of Sunteck Realtors P. Ltd., and we will then prepare the comparative statement of the three financial offers for the Committee's evaluation.

Kolte Patil Developer Ltd., H. Rishabraj Universal, Puravankara Ltd. and Lloyds Realty Developers Ltd. (without Lloyds Enterprises) do not meet the criteria on the basis of the documents submitted (Proforma D), and since no new submission is permitted, their offers ideally should not be opened. Under the tender, shortlisting rests with the Managing Committee, which will need to record its reasons for accepting or rejecting each bid for the General Body. This letter is our assessment for that purpose; it is not the acceptance of any tender or the selection of any developer.

Thanking you,
